

How Do I open a School Banking Account?

It's Easy... To get started the parent/guardian can open an account

- ❖ **In person at any Commonwealth Bank Branch.** This is the fastest way to open a Youthsaver Account as they are opened on the spot! Both the parent/guardian and the child must be identified. If the parent/guardian is an existing Commonwealth Bank customer, simply provide the existing account number as identification. Alternatively, a drivers licence, passport or birth certificate can provided for identification. **Remember to bring along the child's identification.**
- ❖ **Online with Netbank.** A Youthsaver Account can be opened online if you are an existing Commonwealth Bank customer with access to Netbank. Accounts opened via Netbank will be visible on the parent/guardian's Netbank within 3 working days.
