### RELIGIOUS EDUCATION

**Parables of Jesus**

Students will learn to interpret and apply the parables of Jesus in considering how they can, with others, work for justice and peace in their world.

**Lent to Easter**

In this module, students will explore the purpose and potential of the Lenten practices of almsgiving, prayer, and fasting, exploring the themes of Lent and Easter in a creative and integrated way. Students will be encouraged to reflect on Lent as an opportunity for conversion, not just as a temporary measure but as life-changing.

### ENGLISH

**Reading & Viewing**
- Reciprocal, modelled, shared and independent reading and comprehension.

**Writing & Representing**
- Guided, modelled, shared, free and independent writing.
- Spelling - theme words, core words, personal words and spelling rules
- Grammar and Punctuation
- Text types: Imagination and Persuasive texts.

**Speaking & Listening**
- Oral presentations, class discussions.

### MATHEMATICS

**Number and Algebra**
- Whole Numbers
- Patterns and Algebra
- Addition and Subtraction
- Multiplication and Division

**Measurement and Geometry**
- Time
- 2D Shapes

**Statistics and Probability**
- Chance
- Data

### SCIENCE

**Packaging it better!**

The unit provides opportunities for students to develop an understanding of the design of packages and the choice of appropriate materials to use. Students design and test a package that will safely deliver a fragile gift. Through investigations, students observe and gather information about what makes a successful package.

### HISTORY

**The Australian Colonies**

This unit provides an opportunity for students to explore and understand the significance of people, groups, places, and events to the development of the Australian colonies and then Australia as a nation. Students will look at different experiences of people living in the Australian colonies and then in Australia as a nation. Students identify change and continuity and describe the causes and effects of change in Australian society.

### PERSONAL DEVELOPMENT AND HEALTH

**Fit For Life**

Students examine key factors that contribute to a balanced lifestyle and keeping safe and healthy. They examine nutritional information, disease prevention and the effects of drugs on the body. They also identify behaviours that impact on our wellbeing.

### CREATIVE AND PRACTICAL ARTS

**Artists, and their Artworks**

Students make artworks for a variety of audiences using different forms and techniques to convey meaning and represent the likeness of things in the world. They discuss artworks in terms of how subject matter is used and represented, artists’ intention, and audience interpretation and make reasoned judgements about these artworks.

### WEEKLY

Library - Wednesday
Music - Tuesday
PE – Wednesday
Class sport – Tuesday

### HOMEWORK

Homework will be sent home each Wednesday and is due back to school the following Tuesday. Homework includes:
- Reading 20min every night.
- Spelling/Grammar
- Maths Text
- A set task related to a Key Learning Area. E.g. Religion, Health, History or Science.
