Dear Parents and Carers,

According to the Prouille students Grandparents are the best because:

- they spoil me
- they will always love me, no matter what
- every time I hurt myself, they help me
- the sight of them makes my heart glow with happiness
- they show me right from wrong
- they always give me hugs
- they make me the most delicious dinners, like roast lamb
- they help me do stuff like homework
- they support me in whatever I do
- they take me to soccer
- they help me do craft
- they take me to a park nearby where I used to go when I was a kid
- they spend time with me
- they encourage me to do more
- every time they come over they show their kind smiles
- they help me with my studies
- they help me whenever I am in need
- they give me lots of treats like lollies
- they read to me at night
- they encourage me in all of my sports
- they do a lot of stuff for me like cook dinner
- they take me on the bus to the shops and then they get me KFC
- they never burn the bacon
- my Nan makes me laugh and I know she will always be there for me, even when times are tough

Nobody can do for little children what grandparents do. Grandparents sort of sprinkle stardust over the lives of little children. Alex Haley

Happy Grandparents Day!

We are all so excited about welcoming you here to Prouille on Friday 20th September. Morning Tea will be served at 9.30am followed by classroom visits at 10.00am and a special liturgy at 10.30am.

AUSTRALIA’S GOT TALENT COMES TO PROUILLE
Last Friday Sienna Osborne a Grand Finalist from Australia’s Got Talent came and performed for the children of Prouille. The children were so impressed by this talented performer. This was a special treat for us as Sienna’s brother is in St. Lucy’s Dolphins class at Prouille. Please get behind Sienna as she competes in the AGT Grand Final on Sunday 22 September.
PROUILLE’S SCIENCE & TECHNOLOGY SHOWCASE

Congratulations to the teachers and students of Prouille on their brilliant Science & Technology Showcase last Thursday. It was amazing to see how the teachers and children had embedded the 6C’s in their learning. Critical & Creative Thinking, Collaboration, Communication, Character and Citizenship! Thank you to all the parents who came to witness marvellous Science in action in all classes K-6. There were so many highlights where children articulated their engagement and findings in Science. The children were solving real world problems from designing unbreakable lunch boxes, using recyclable clothes for food bags, building solar roads, creating drones to recycle water for our drought affected farms and designing ways to sustain energy. Year 2 were even successful in pitching to the Sales Manager at Woolworths a new way for promotions that do not involve increased use of plastic that has an extremely negative impact on our environment. Well done Prouille you are authentic leaders in deep learning.

- 12.00pm-1.30pm St. Patrick’s School Performance

**Thursday 26th September**
- 12.00pm-1.30pm St. Patrick’s School Performance

Dear Parents and Friends,

**BISHOP’S ART PRIZE – CONGRATULATIONS TO ALL OUR PARTICIPANTS!!**

Over the past two Terms, Mrs Louise O’Brien-Pounde along with all of our Year 6 students, participated in the Bishop’s Art Prize. This year, students were invited to submit entries in the medium of film/video. They were to select a story about Jesus or a story told by Jesus in the Gospel of Luke and produce a short film of up to three minutes. Students were also asked to submit with the film, a short reflection on the meaning and significance of the story.

We had so many incredible entrants into this fabulous initiative and as such, it was difficult to vote for just **ONE finalist group** to be submitted for CSO judging…but alas it had to be done. We will be announcing the selected group at this Friday’s Assembly!!

**ALL** of our Year 6 students put in a tremendous effort and are all congratulated on such an outstanding submission of films. We are hoping to showcase these films over the next few assemblies (potentially going into next Term).

Warm regards,

Jessica Russell
