11<sup>th</sup> November

Week 5

Term 4 2020

Dear Parents and Carers,

### REMEMBRANCE DAY

Please keep in your prayers this week all the men and women who have lost their lives whilst keeping our country safe. Today we take time to reflect on those who gave us life. We remember those who enriched our lives with peace, harmony, compassion, thoughtfulness and sacrifice. As we reflect upon those whose memory moves us this day, we seek consolation together with the strength and insight born of faith. Remembrance Day in Australia is dedicated to Australians who died as a result of war, particularly from World War I onwards. A minute of silence is dedicated to the deceased, especially for soldiers who died fighting to protect the nation. Remembrance Day is annually observed on 11<sup>th</sup> November. Please keep in mind the many soldiers who are fighting today.

### *Lest we forget*

*They shall grow not old, as we that are left grow old: Age shall not weary them, nor the years condemn.*

*At the going down of the sun and in the morning  
We will remember them.*

*From Laurence Binyon's poem For the Fallen, written in September 1914*

### FIRST HOLY COMMUNION

Last Sunday was the fourth and final weekend for the children of Prouille Catholic School and Holy Name Parish celebrating their First Holy Communion. Please keep these children and their families in your prayers.

**A first communion chain and cross has been found on Water St.**

**See the Office staff if you think this might belong to your child.**

#### 2020 MATHS OLYMPIAD AND MATHS GAMES TEAMS

This year Prouille had a team of 30 students from Years 5 and 6 who participated in the Maths Olympiad Competition/Program. We also had 27 students from Year 4 who participated in the Maths Games Program. These programs comprised of 5 competitions throughout the year where the children were involved in rigorous problem solving activities. This competition is implemented throughout South-East Asia where over 30,000 students participate.

This year's competition had to survive with COVID-19 but their mathematical ability shone! The Prouille teams need to be congratulated for scoring extremely well.

A special congratulations to **Charlotte B, Evan L, Luca C, Jethro E and Arjuna K** who are our Maths Olympiad team's top scorers. Congratulations to **Abigail B, Harry D, Hugo G, Daniel McG and Yohann P** who received an award for top scores and excellent effort in the Maths Games Program.
