Tuesday 13th July 2021

Dear Parents and Carers,

It was a pleasure to see the smiling faces of our students on Zoom this morning! We appreciate all the parents and students that helped us out for our first time and understand that there were a number of teething problems and therefore, very much appreciate your patience!

As stated in my previous communication, we will get in contact with parents on Wednesday after the initial set up to see if there are problems. We have found numerous issues on our end, with outdated apps, slower computers, problems with links and drop-outs because we overloaded our Wifi. We have been working hard to overcome these problems and are looking forward to 'TAKE TWO' tomorrow.

We have had to change some of the times, and some of the links so the new schedule and links that start tomorrow, Wednesday the 14th of July are below. THERE WILL BE NO JOINT GRADE ZOOMS - all class teachers will run their own class Zooms (10 Individual Class Zooms scheduled across 2 hours to help our Wifi)

Thank you to the 45 parents who filled in the google form and then picked up technology this morning at the allocated time. We have loaned over 52 Ipads and appreciate the time it took to come and pick them up. Thank you also for helping out with checking in with QR codes, wearing masks and socially distancing, these little things make our job easier.

If you still need to pick up technology, the time will be between 8.30 to 9.30 for the remainder of this week. **Please email the office the day before so that we can have it ready for you.**
