Term 4

Week 4

2022

Dear Prouille Families,

In the Catholic tradition, November is traditionally a month of remembrance of those who have passed away. The month begins with the Solemnity of All Saints on November 1 and the Commemoration of the All the Faithful Departed (All Souls' Day), on November 2. While no longer holy days of obligation in Australia, the Church has consistently encouraged prayers for the faithful departed and, during November, a list of the names of the dead is usually placed in the church so that the community can remember them in prayer. We know that many families have suffered the loss of those dear to them so together we pray:-

*In your hands, O Lord, we humbly entrust our brothers and sisters. In this life you embraced them with your tender love; deliver them now from every evil and bid them eternal rest.*

*The old order has passed away: welcome them into paradise, where there will be no sorrow, no weeping or pain, but fullness of peace and joy with your Son and the Holy Spirit forever and forever.*

*Amen.*

## Cyber Safety Talk

On Monday November 7, all Year 4, 5 and 6 students will listen to a specifically designed primary school presentation on cybersafety by Senior Constable Eastaugh from Kuring-Gai Police Area Command. We look forward to welcoming Snr. Constable Eastaugh and will share all information with parents after the presentation.

## Family Mass

Family Masses will resume again this term at Holy Name Church. On **Sunday 20th of November**, Years 2, 3 and 4 will be involved. On **Sunday November 27**, Years K, 1, 5 and 6 will participate. The Bishop of the Diocese of Broken Bay, Rev Anthony Randazzo will be in attendance at the mass being held on the November 27. Roles for students will be sent out soon. Please join us for these masses if you can.

## K – 2 Literacy Update

Over the last two terms the teachers have spent time familiarising themselves with the New K-2 English syllabus. There is a big focus on building foundational skills in reading and writing and developing vocabulary. This term the K-2 teachers have spent time planning units around the new syllabus ready for implementing in 2023.

As per the Compass post sent last week, there has been a change of date for the students' last day of school for 2022. **The last day of school for all students is Friday the 16th of December.** This change has meant that there has had to be a subsequent change of day/date for some important end of year activities. Please find an updated table of events below, the biggest change to events and dates is in Week 10. These dates are reflected on the website

## Mission Week/Socktober

Last Friday, Prouille participated in Mission Week. We had a lovely liturgy run by year 6 in the morning followed by all grades participating in Socktober. Students had to score goals using a soccer ball made entirely out of plastic. As soccer is a universal game played around the world, students were able to discover first hand how people from all over the world can enjoy a game of soccer from a ball made entirely out of used plastic and other materials. Students also donated a gold coin on the day and overall Prouille raised a total of **\$284.65**. This money will be sent to Project Compassion who will use it to support the people of Ethiopia. A big thank you to everyone's generous contribution and the year 6 House Captains for assisting on the day.

## School Capatins Visit Parliament House

On Thursday November 3 our School Captains Ellie Whittaker and Yohann Pereria were thanked for their service to the school community at a special morning tea at Parliament House. Thank you to them both and their families for representing our school community.

### Parliament House

*By Ellie and Yohann*

On Thursday, we went to State Parliament. When we got there we stood outside of Parliament and admired the building. It was massive and looked very fancy and we were so pumped and excited and definitely had a touch of nerves. Of course we had to go through security, but that was ok. When we entered the building there were big paintings of all the Premiers of NSW. We entered the Jubilee room and that's where we met Alister Henskens. We then first got a tour of the red room - the seats were super comfy. This is where they discuss bills. We also saw a huge chair covered in red velvet and gold. The chair had a large sign on it that said 'Do Not Touch' and the man on guard said that it was the chair for the King or Queen only. We were so intrigued that the royals would actually visited NSW Parliament House. We then had a tour of the Lower Chamber which is where the Premier would sit with his ministers and the opposition members sit on the other side of the room. This is where the members talk and debate about the laws and bills. They told us that one person talked for six and a half hours. After this we had a special morning tea and presented with certificates before heading home. It was an amazing experience and we hope to go there again.

## Prouille Band Performance

We would like to congratulate all Prouille students that took part in the band performance at the Wahroonga Food and Wine Festival last week. We have had so much feedback as to their fantastic skills and musicality. We give a heartfelt thanks to our wonderful music tutors who go over and above in instilling a love of music in our students and the extra time they put in to make such performances memorable.

God Bless
