CSBB PUBLIC SPEAKING

TRIVIA NIGHT

Dear Families,

As we end a bustling term, I find myself reflecting on the incredible achievements our students have accomplished. This term has been a whirlwind of public speaking competitions, where our young orators displayed remarkable confidence and creativity. Their hard work and dedication were truly inspiring, and I'm proud of each student who participated.

In addition to our speaking successes, our athletes have shown exceptional teamwork and sportsmanship. From thrilling matches to individual triumphs, it has been wonderful to see our students shine both on and off the field.

As we celebrate these achievements, we also bid a fond farewell to the McKie family. Their presence in our community has been a true gift, and we will miss their warmth and involvement. We wish them all the best as they embark on their new adventure down south.

As we look ahead to the final term of 2024, let us hold each other in our thoughts and prayers for a safe and fulfilling break. May we return refreshed, ready to embrace the opportunities that await us.

Thank you for your continued support and involvement in our school community. Wishing everyone a safe and fun filled holiday

God Bless
Genevieve Smith

PRAYER FOR TWENTY-THIRD SUNDAY IN ORDINARY TIME

Lord Jesus Christ,
you said to the Apostles,
“Come, follow me.”

You say the same words to us,
today and every day.

Help us to follow you faithfully;
to walk in the way of your
commandments,

to help those who are struggling,
and to love all people as you
love them.

May we rejoice in your presence with us
as we work to build up the
Kingdom of God,

where you live and reign with the Father
in the unity of the Holy Spirit,
one God, for ever and ever,
Amen.

Congratulations!

CSBB PUBLIC SPEAKING

A huge congratulations to Year 6 Prouille student, Illaria, who won the CSBB Public Speaking Competition last night.

Congratulations also to Year 6 Prouille student, Georgia, who also made it to the grand final and proudly represented our school.

The CSBB Public Speaking Competition commenced earlier this year with over 1,000 Year 6 students. The competition progressed through individual school competitions, to cluster competitions across the Diocese, and culminated in our grand final last night with 12 students.

The format of the final was a three-minute prepared speech and an impromptu speech.

Illaria's prepared speech topic was: "Imagination is more important than knowledge" (Einstein) and Georgia spoke about "The Power of Music".

Congratulations to Illaria for her win and for Georgia for making it to the final 12 in a very tough competition.

We are incredibly proud of both Illaria and Georgia's achievements in public speaking this year; to reach the grand final is testament of their incredible talent and perserverance.

Congratulations to all the students represented in last night's final and the standard of the performances.

Thank you to CSBB for organising the competition and the adjudicators, including Danny Casey, CSBB Director of Schools, who attended last night's final.

SPORTING NEWS

POLDING ATHLETICS NEWS

On Friday, 13 September Prouille had two students representing CSBB at the Polding Athletics Championships at Hunter Sports Centre. Sophie Tazewell (Year 5) took part in the Senior Girls 800m while Amelie Ogden (Year 4) competed in the Junior Girls High Jump. Both girls were up against extremely tough competition with athletes representing all Catholic schools across the upper half of NSW. Sophie ran an incredible race in her 800m and was just pipped for third after a frantic finish. Amelie was up against the elements during her High Jump with wind and rain persisting throughout. Despite the trying conditions Amelie performed incredibly well and came first and qualified to represent Polding at the 2024 NSWPSA Athletics Championships. This event takes place over October 23-24 at Sydney Olympic Park Athletic Centre. Congratulations to both girls and we wish Amelie all the best.

PROUILLE P&F TRIVIA NIGHT

On Friday 7th September, Prouille community gathered together for their annual Trivia Night, organised by the wonderful Prouille P&F Association.

The dress-up theme was "Battle of the Bands"/"Dress as your Musical Hero" and our hall was absolutely packed with teams from all musical genres: The Wiggles, ABBA, The Spice Girls, the cast of Grease, The Bangles, The Veronicas, Pink, Slash from Guns 'n' Roses, rap stars, a real life Mariachi Band direct from Mexico!, the Prouille Football Club on tour, Madonna and the Dolly Parton twins, plus many more!

Thank you to everyone for making such a huge effort.

Thank you to our sponsors (please see photo attached) - of which there are numerous.

Thank you to our amazing Trivia Master, Jason Montgomery. You ran an excellent trivia night and the audience participation and Dance Offs were particularly enjoyable!

Congratulations to our Best Dressed Table, which was The Wiggles.

Congratulations to the Trivia Winners: School Table One (led by Slash!) followed by ABBA, a very close second.

Thank you to everyone who bid and won in the silent and live auction items. There were so many great prizes!

A huge thank you to Mariela Salisch on the P&F who worked tirelessly to lead this event.

It was such a wonderful community event, which not only raised funds for our school but brought everyone together to have a great night of fun!

CATHOLIC CARE

CatholicCare is pleased to be able to support the families and children and offer our Outside School Hour Care services to the Prouille School community. CatholicCare Children's Services currently operate and support 24 OSHC services in the Northern Sydney, Northern Beaches and Central Coast area and we look forward to adding Prouille Catholic Primary School to our portfolio of services.

Our services are supported by a team of Practice Managers and a Quality Practice Manager that ensure that we offer enriched OSHC programs for the children in our care and that our services adhere to the National Regulations and CatholicCare Policies and Procedures. We use the My Time Our Place Framework for School Aged Children to guide our practices and are proud of our quality services. Sophie Sellers has been appointed as the Coordinator and she will be supported by Andrew James and a team of educators.

If you would like to enrol your child please follow the below link -

Farewell McKie Family

Sadly, our beautiful McKie family is leaving Prouille at the end of this term and moving to the glorious Southern Highlands.

We had a class party for them this week and they were given cards from our students. We will miss you all: Joshua, Lachlan and Savannah.

EXCURSION

TOUR

TRIP TO SYDNEY ZOO

On Monday this week, our Year 1 students travelled to Sydney Zoo on an excursion as part of their Living World Science Unit.

Year 1 had a lovely day exploring the zoo, searching for each animal and the things that made their environment a habitat.

The students and their teachers discussed what living things need to survive and carefully checked that each animal had food, water and shelter to survive.

What a fun day it was!

STAGE 3 MOVIE EXCURSION

MOVIE

WILD ROBOT

Years 5 and 6 went to the movies recently to see a screening of "Wild Robot" which is a new DreamWorks adaptation of the New Year Times bestselling book of the same name.

The epic adventure follows the journey of a robot - ROZZUM unit 7134, "Roz" for short - that is shipwrecked on an uninhabited island and must learn to adapt to the harsh surroundings, gradually building relationships with the animals on the island and becoming the adoptive parent of an orphaned gosling.

YEAR 6 WALLABY

The Wild Robot Movie Review

The Wild Robot is an exciting movie perfect for kids in primary school and below. It is all about a robot that fell off a transport truck on an island. She accidentally falls off a mountain into a nest and the only thing that survives is a little egg. Roz the robot cares for the chick named Bright Bill and teaches him how to survive. It is interesting because the animals living on the island are all scared of Roz at the start but learn to love her when she saves them from winter. The people who made Roz want her back where she belongs and put her and the animals through a hard time to get Roz back where she belongs. But she doesn't want to leave and a war starts between the robots and Roz and the animals living on the Island. This movie will give you mixed emotions with its amazing story and it is a great movie all together. For me it is a 4 star movie rating. By Orlando

Review

The Wild Robot

The Wild Robot is a movie that will take you on an emotional wild roller coaster with its ups and downs. I would definitely recommend this movie to year 3 and up because it teaches you to never give up and keep trying. It also teaches children to accept others who are different than they are. I rate this movie a 4 out of 5. By Grace

The Wild Robot

The Wild Robot is a movie that has a great plot and a great story. The secret behind this movie is also what makes it so good. The movie teaches kids to accept others who are different from them. It's the main message of the movie. The idea of being nice to others and always having good karma is a great message too in the movie's story. It had a plot of always being the odd one out, never fitting in to a hero is just what other people like to see. The only problem I really had with this movie was that the climax came a bit way too quick and it is very different from the original book. By Ethan Wang
