MISSION WEEK

Dear Parents,

Welcome to Term 4!

As we jump into the final term of 2024 please make sure you continue check Compass and the term calendar in this and future newsletters to keep up to date with upcoming events. Unfortunately, due to scheduling issues with Hornsby Aquatic Centre, we will not be running the swimming program for Years 1 and 2 this year. Instead we will be holding a Creative Arts Immersion Week for Kindergarten, Year 1 and 2 throughout Week 7. Stay tuned for the exciting activities the children will be involved in.

As the weather warms up please remember to send children to school with their hats and drink bottles and ensure they are clearly labelled so we can get them back to their owners should they become separated.

Finally on this special day I would like to wish all the amazing and dedicated teachers at Prouille a very happy and well-deserved World Teachers' Day! You all go above and beyond everyday and you are truly appreciated and valued by the Prouille community.

Warm regards

Genevieve Smith

PRAYER FOR THIRTIETH SUNDAY IN ORDINARY TIME

Lord Jesus Christ,
in your holy face
we see the face of God.
Help us to keep our eyes
always fixed on you,
so that in everything we do,
we may be pleasing to you.
May we love you and follow you
all the way to God's Kingdom,
where you live and reign
with God the Father,
in the unity of the Holy Spirit,
one God, for ever and ever.
Amen

RELIGIOUS EDUCATION NEWS

Mission Mass

On Thursday, October 24th, the Year 6 leaders from Prouille Primary School attended the Diocesan Mission Mass at Our Lady of the Rosary Cathedral in Waitara to commemorate World Mission Month. Presided over by Reverend Anselm Lakra, the mass served as a meaningful occasion to reflect on the importance of global solidarity and support, particularly for the people of Mongolia this year. While the Year 6 leaders observed the ceremony, their presence symbolised a commitment to fostering a spirit of compassion and outreach in the community.

RELIGIOUS EDUCATION NEWS

Socktober/Mission Week Celebration

Prouille Primary School held their annual fundraising event called Socktober. This year we are supporting the people of Mongolia. Students wore their favourite sports jerseys or athletic attire, filling the school with team spirit and enthusiasm. In the afternoon, the entire school came together for an afternoon of sport. The day was filled with laughter and joy, showcasing the school's commitment to making a difference. A heartfelt thank you to everyone for your generous donations- your support will help create a brighter future for those people in need in Mongolia.

Religious Creative Arts Competition

Prouille Primary School participated in the Diocese-wide Religious Creative Arts Competition, celebrating the theme of kindness. We are thrilled to announce that two students from our school emerged as winners! Yashar Motlagh from Kindergarten took first place in the Visual Arts category for Early Stage 1 with his heartfelt artwork. Additionally, Year 6 students Josie Gibbs and Ava Munce secured third place for their captivating dance routine, also centred on the theme of kindness. A huge congratulations to Yashar, Josie and Ava for their incredible achievements!

SPORTING NEWS

Congratulations

Congratulations to Amelie O who made it through the PSSA Championships, which was held on Wednesday 23rd October 2024 at Sydney Olympic Park.

Amelia competed in the High Jump and is currently transitioning her jumping style from 'scissors' to 'Fosbury flop' and it was her first competition to perform this.

So, the pressure was on! Amelie performed so well under tough conditions and placed 13th, just closely missing a personal best which would have placed her in the top five.

Congratulations Amelie on your amazing sporting journey this year across the athletics arena. You are a wonderful athlete and we are looking forward to seeing big things from you in the future!

ICAS ASSESSMENT RESULTS

Congratulations to the 2024 ICAS Competition entrants. A list of all the students and the level awarded is below. They will receive their certificates at next week's assembly. We have numerous High Distinctions, Distinctions, Credits, Merits and Participations in a broad range of subjects.

These are very high level competitions and to even participate in them is an achievement.

CLASS NEWS

YEAR 3 PLATYPUS

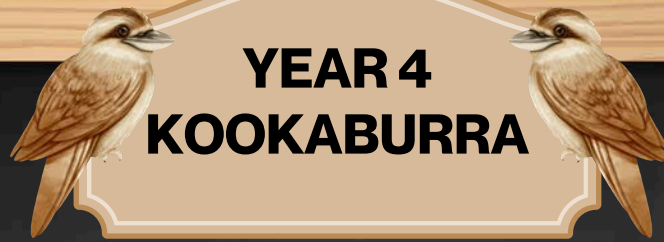

Year 3 Platypus has been hard at work exploring creativity and culture through a variety of engaging tasks! The students began by creating representations of First Nations people's shelters prior to European settlement, using natural materials such as bark, twigs, leaves, and pebbles. This project allowed them to connect with the rich history and traditions of Indigenous cultures.

Next, the class dove into the world of "Onomatopoeia" art, where they selected onomatopoeic words and transformed them into vibrant artworks inspired by the Pop Art movement. The combination of their creative expressions and cultural learning showcases the students' dedication and imagination. Great job, Year 3 Platypus!

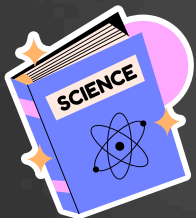

CLASS NEWS

Year 4 Kookaburra started off their Science & Technology 'Forces' unit with a BANG!

Our classroom looked more like a playland as we used balloons to explore force - making the balloons move and change in different ways.

LIBRARY NEWS

Media Literacy Week – 21 October – 25 October, 2024

In Week 2, our Primary classes started to discuss Media Literacy during Library sessions. Media Literacy is important for students to learn about as it helps them to critically analyse information and stories presented to them in various forms of media, and to gauge their authenticity and credibility. Discussions will continue over the coming weeks with the help of resources from the Museum of Australian Democracy (MoAD) website.

Book Donations from our recent Book Fair

Once again, a huge thank you to the families who donated new books to our Prouille Library from our recent Book Fair. All books have been labelled and covered over the holidays. Thank you to Jo Neilson and Michelle Lee who assisted me in this massive undertaking. The donor students were given the option to borrow their book/s first and most have taken the opportunity to borrow their book/s and take them home this week.

In today's whirlwind world, teaching your pre-teen the art of time management isn't just about keeping things tidy—it's like handing them a superhero cape for their wellbeing! By guiding them to prioritise tasks, set achievable goals, and manage their time like pros, you're helping them zap away stress and boost their confidence.

These skills give them the power to take charge of their day, juggling schoolwork, hobbies, and chill time like a boss. As they navigate the wild ride of growing up, mastering time management turns them into resilient, focused champs who can tackle life's ups and downs. It's all about creating a solid foundation for success and emotional health that lasts a lifetime. So, equip your child with these fun tools, and watch them blossom into self-assured rockstars ready to take on whatever comes their way!

Dear Parents

Re: Pastoral Discernment Consultation

Bishop Anthony has invited us to be part of the Pastoral Discernment Consultation being held across the diocese. This program is an opportunity for everyone to be involved in discussion to identify the particular needs of the Broken Bay North Shore community. The project is an invitation to work together, to listen to each other and seek a collective outcome. Everyone has an essential role in this important process.

Prouille will be running sessions with parents at the following times:

1. Friday 8 November - 10am - 11.30am. In the School Chapel with a morning tea.
2. Monday 11 November Online session for parents - Zoom Meeting 7pm - 8.30 pm.

Please RSVP to the session you would like to attend.

Transition to High School & Mental Health

THURSDAY 21 NOVEMBER 1.00PM

WEDNESDAY 27 NOVEMBER 6.30PM

ZOOM (link provided after registration)

Join us for a free interactive webinar to support your child in starting high school next year.

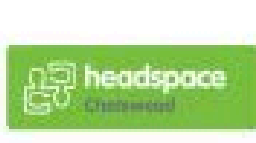

Have you ever felt like your child could use some guidance around mental health and managing the transition to high school?

We've found that live presentations from trusted mental health organisations are one of the best ways to prepare you and your children for this exciting new chapter!

Hosting these sessions are local youth mental health experts Ryan Usher from headspace and Nick Kenny from KYDS who bring years of experience in working with young people.

You will learn:

- The most common reasons for counselling young people are presenting with right now
- Simple and effective strategies for you to offer them the best support
- What the top questions and concerns young people have about high school are
- The most effective ways for them to maintain and build both old and new friendships
- How best to explain "resilience" to a young person and equip them with the right skills
- What counselling pathways are available in your area and how to access them
- And plenty more!

U-turns and 3-point turns in school zones

Always park and turn legally around schools and avoid dangerous manoeuvres like U-turns and 3-point turns.

► U-turns

Not allowed:

- at an intersection without traffic lights, where a 'no U-turn' sign is displayed
- at traffic lights, unless there is a U-turn permitted sign or,
- across
 - a single continuous dividing line
 - a single continuous dividing line to the left of a broken line or,
 - two parallel continuous dividing lines.

Penalty exceeds \$410 + 3 demerit points (in a school zone)

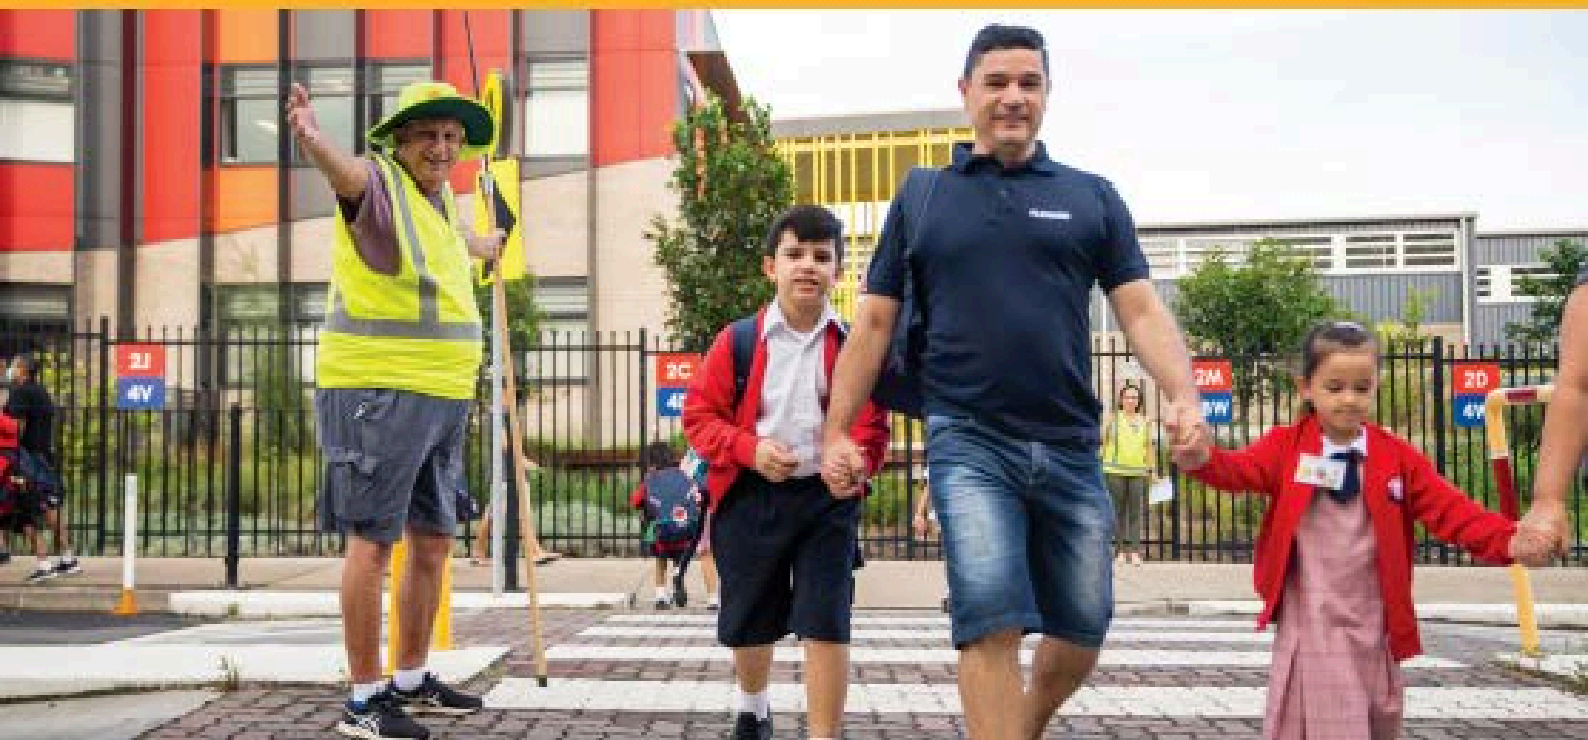

► 3-point turns and reversing

You should avoid 3-point turns and reversing:

- at school zones
- in and out of driveways

*NOTE: Fines are subject to change without notice. These penalties apply in school zones and are current as of September 2024.

Road safety

Children's and supervised crossings

For your child's safety, it's very important they always use a pedestrian crossing if there is one available. It is the safest point at which to cross the road.

At all crossings you must wait on the footpath, at least one step back from the edge of the road.

Supervised crossings

If there is a School Crossing Supervisor, wait until they have stopped the traffic and called you to cross.

If you are driving, you must not proceed until the School Crossing Supervisor's hand-held sign is no longer displayed, or until the crossing supervisor indicates that you may proceed through the crossing.

Children's crossings

Children's crossings are usually part-time crossings that operate before and after school

hours. They can also operate at other times when children use the crossing for excursions or during break times. When 'Children Crossing' flags are displayed, you must stop at the white line if pedestrians are waiting to cross. Drivers must remain stationary until the crossing is clear of pedestrians.

Children learn safe road user habits from you and will continue them when they are old enough to travel alone.

For more information on keeping children safe in the road environment visit the families section on safetytown.com.au

Road safety

Hold your child's hand

Your child may be easily distracted and too small to be seen by drivers. They are still developing skills that help them to predict or identify dangers and may tend to act impulsively.

An adult should always be responsible for your child's safety when out and about.

Talk with your child about safe behaviour on the footpath. It's not a safe place to play as it is near the road and vehicles may be entering or exiting driveways.

Until your child is at least 8 years old, hold their hand:

- on the footpath
- in the car park
- when crossing the road.

Then, up until at least 10 years old, supervise your child very closely, and hold their hand when crossing the road.

If you can't be with your child, organise for another trusted adult to accompany them.

At the end of the school day, your child may be excited, distracted or tired and often not concentrating on what is happening around them. Help keep them safe by meeting your child at the school gate. Never call them across the road.

Children learn safe road user habits from you and will continue them when they are old enough to travel alone.

For more information on keeping children safe in the road environment visit the families section on safetytown.com.au

Key road safety messages to share with your child in Kindergarten to Year 2

- Hold a grown up's hand when:
 - you cross the road
 - you're on the footpath
 - you're in a car park

Key road safety messages to share with your child in Years 3 to 6

- Hold an adult's hand when you cross the road (until at least 10)
- Use a safe place to cross the road
- Stop! Look! Listen! Think! every time you cross the road and keep checking until safely across

MOTORISED WHEELED DEVICES

NSW Police Force

Devices such as electric scooters, skateboards, and hoverboards are **ILLEGAL** in NSW.

Although a motorised scooter, skateboard, or hoverboard (electric or petrol powered) are considered motor vehicles, they do not satisfy the Australian Design Rules and for this reason, cannot be registered in NSW and are unable to be insured.

These devices cannot be ridden on roads, or road related areas (such as footpaths shared paths and cycleways) in NSW, except on private land.

Anyone caught riding a motorised device on a road or road related area in NSW can face fines starting from \$723
